About
Rathinam group

Rathinam Group of Institutions, nestled within the 70-acre Rathinam Techzone Campus in Coimbatore—the educational hub of Tamil Nadu—offers a complete academic journey from Pre-KG to Ph.D. The group encompasses six leading higher education institutions, international schools, and the globally reputed incubator, AIC RAISE. With its main campus at Eachanari,Coimbatore additional presence in Kovilpalayam, and growing footprint in Bengaluru, Rathinam continues to expand its impact. Rooted in the philosophy of "Live, Learn, Work, Play", Rathinam seamlessly integrates education (green logo), IT parks and entertainment (orange logo), and residential facilities (blue logo) to create a vibrant, holistic ecosystem. With top-tier accreditations such as NAAC A++ and NBA, and consistent recognition in the National Institutional Ranking Framework (NIRF), Rathinam has emerged as a symbol of excellence. Renowned for its stellar placement record—offering packages up to ₹41 LPA—the institution stands out for its industry-aligned curriculum, experiential learning models, and world-class infrastructure, including Centres of Excellence, Hybrid Learning Hubs, Next Gen Career Hub and Co Manufacturing Hub. Rathinam's forward-looking approach ensures that students are not only academically strong but also future-ready.

Chairman's Message

At Rathinam Group of Institutions, our vision goes beyond academics – we focus on creating individuals who can think critically, innovate, and lead with responsibility. Rathinam today is a vibrant ecosystem that integrates education, entrepreneurship, IT Parks, residential spaces, and incubation facilities, giving students a platform to learn, experiment, and grow.

With state-of-the-art infrastructure, experienced faculty, and industry-driven exposure, we empower our students to excel in their careers while instilling values that shape them into responsible global citizens. Recognitions such as NAAC A++ accreditation, Autonomous status, and the Atal Incubation Centre RAISE are milestones that reflect our commitment to quality, innovation, and impact.

Our alumni across the world are a true testament to the Rathinam legacy, carrying forward our values and achievements. Together, we aspire to reach greater heights and contribute meaningfully to education, employment, and society.

Dr. Madan A. Sendhil
Chairman – Rathinam Group of Institutions

An Era of **Vision and Innovation**

In the heart of Coimbatore stands a visionary whose life's work has redefined education, entrepreneurship, and innovation for a generation. Dr. Madan A. Sendhil, Founder and Chairman of the Rathinam Group of Institutions, is not merely an academic leader—he is an architect of ecosystems, a pioneer whose impact extends far beyond the boundaries of a campus.

From his formative years as an Electronics and Communication Engineer at Coimbatore Institute of Technology to his postgraduate journey in Software Engineering at the University of Central Florida, and later his Ph.D. in Information and Communication Engineering at Anna University, Dr. Sendhil's academic pursuits have always been tied to solving real-world challenges. His research, from cost-efficient hybrid energy systems to embedded systems in automotive automation, reflects a lifelong dedication to innovation.

But his story is not just about degrees—it is about dreams transformed into enduring institutions. What began with a modest school has today blossomed into a vast educational ecosystem: international schools, colleges of arts and science, engineering, management, physiotherapy, pharmacy, architecture, and design. Each institution under Rathinam's banner carries the hallmark of quality, creativity, and global outlook.

Like the great emperor Raja Raja Chola, who shaped civilizations with vision and resolve, Dr. Sendhil has built an empire of knowledge—one that nurtures students not just for jobs, but for leadership in life. The Rathinam Technical Campus and Rathinam College of Arts and Science stand today with NAAC A+ and A++ accreditations, while the group has secured consecutive positions in the NIRF rankings since 2017. These milestones are not mere statistics; they represent a culture of excellence and persistence.

Dr. Sendhil is also a trailblazer in entrepreneurship. From founding Hi-Tech Electronics in 1993 and pioneering ventures like Edecors.com in the US, to leading Trioz Technologies and establishing the Rathinam Techzone IT/ITES SEZ, he has always bridged the gap between industry and education. Today, Rathinam Techzone is home to more than 35 IT/ITES companies with a workforce of over 6,500, making it a living example of his vision of academia-industry integration.

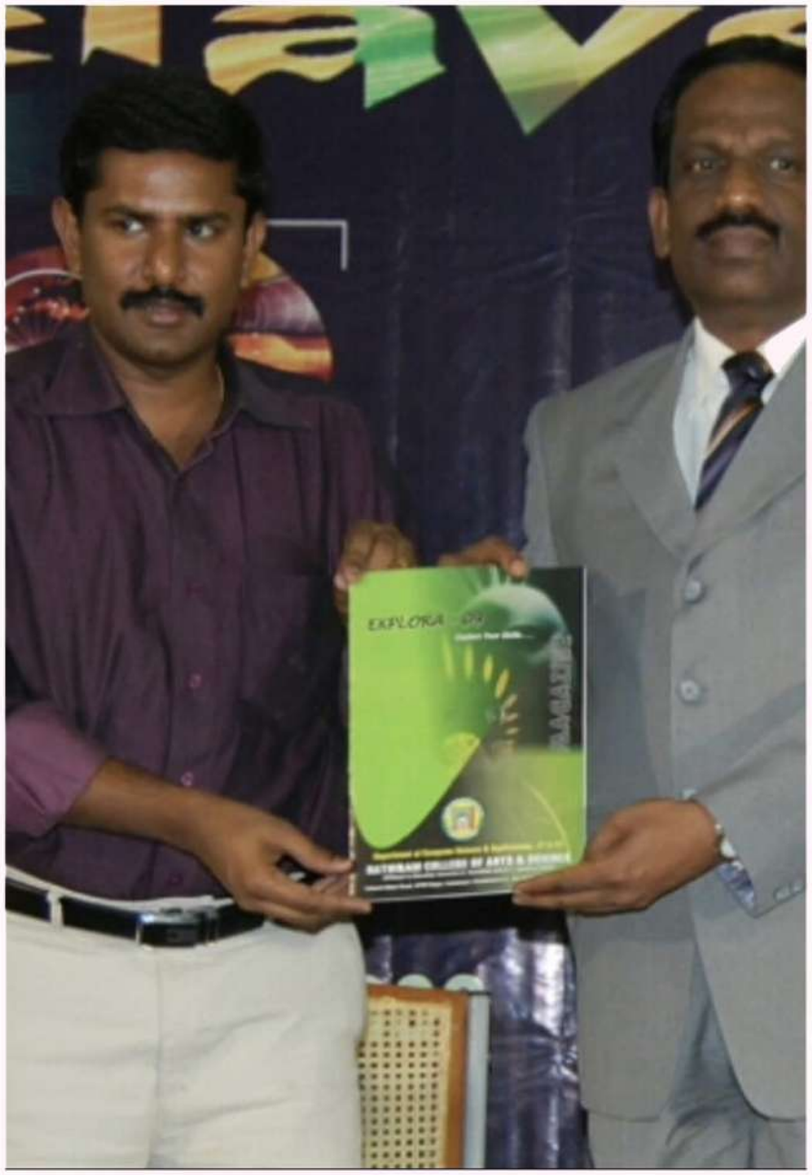

His leadership extends to social impact as well. As CEO of Atal Incubation Centre – RAISE, India's first UN-SDG-focused incubator, he has raised more than ₹20 crores from government and corporates to support startups working on sustainability and social innovation. Initiatives like Edudharma.com and mentorship for No Food Waste underline his belief in entrepreneurship as a force for good.

Dr. Sendhil's achievements have earned him recognition at the highest levels. He has been honored as the Leading Edupreneur of India by the British Parliament, received the Iconic Leader in Higher Education Award at the World Education Summit, and has been featured in Forbes India, Business World, and Outlook Business as a transformative leader in education.

Yet, behind these accolades lies a man deeply rooted in his soil—one who has preserved humility while crafting legacies. His journey is a testament to perseverance, innovation, and vision. To the thousands of students, faculty, and entrepreneurs he inspires daily, he is not just a chairman, but a guiding light whose influence will shape generations to come.

Dr. Madan A Sendhil's

story is not a biography.
It is an era of vision,
innovation, and unwavering
dedication to the future.

His focus is on creating an environment that nurtures potential, boosting confidence and innovation throughout the academic journey.

Mr. R. Sundar B.Sc, DMIT

Advisor
Rathinam Group of Institutions

At Rathinam Group of Institutions, we prepare students not just for degrees, but for meaningful, future-ready careers. Education today must go beyond classrooms to develop clarity, adaptability, and confidence. Through industry-integrated learning, experiential exposure, and strong mentorship, students are guided to discover their strengths and make informed career choices. When the right guidance meets the right environment, potential transforms into excellence—and Rathinam continues to be that environment.

Mr. K. Rajagopal B.Tech, IIT Kharagpur

Advisor
Rathinam Group of Institutions

Education must empower learners to think independently, apply knowledge effectively, and adapt to a changing world. With a strong foundation in engineering, I believe institutions shape not only skilled professionals but responsible, future-ready individuals. At Rathinam Group, learning blends strong fundamentals with real-world relevance through industry-aligned academics, experiential exposure, and focused mentorship. This approach equips students with clarity, confidence, and capability to succeed in their chosen paths.

Rathinam
Institute of Technology (RIT) - Bengaluru

Rathinam Institute of Technology (RIT) – Bengaluru

Rathinam Institute of Technology is a premier institution under the acclaimed Rathinam Group of Institutions, recognised for its unwavering commitment to academic excellence, innovation and industry-integrated education. Built on a legacy of over four decades in shaping future-ready professionals, the institute stands out for its ability to seamlessly blend rigorous technical training with real-world exposure and holistic student development. Every programme is designed to inspire curiosity, instill strong fundamental knowledge and equip students with the capabilities required to excel in a rapidly evolving technological landscape.

Approved by the All India Council for Technical Education (AICTE), the institute offers B.Tech programmes affiliated to Visvesvaraya Technological University (VTU) and management programmes affiliated to Bangalore University. The curriculum reflects a future-focused approach that integrates ethics, innovation, entrepreneurship and hands-on learning. Students are encouraged to engage deeply with emerging technologies, participate in project-based learning, explore research opportunities and develop problem-solving skills that prepare them for global competitiveness.

One of the defining strengths of Rathinam Institute of Technology is its location within an integrated technology park that houses more than 20 IT and ITES companies. This unique campus-industry ecosystem creates an environment where students enjoy unparalleled access to live projects, internships, industrial interactions and placement opportunities—right at their doorstep. Classroom learning naturally connects with corporate exposure, allowing students to experience the professional world continuously throughout their academic journey.

At Rathinam, education extends beyond academic boundaries to shape confident, ethical and socially responsible individuals. Through vibrant student clubs, innovation forums, leadership activities, mentorship, events and community engagement platforms, the institute nurtures not only strong engineers but also well-rounded human beings. Rathinam Institute of Technology – Bengaluru stands as a destination where aspirations are nurtured, talent is transformed and students are empowered to lead the future with purpose, passion and professional excellence.

ZIA by RATHINAM

INTERNATIONAL CURRICULUM SCHOOL

ZIA Early Years, an initiative of the Rathinam Group of Institutions, represents the Group's commitment to delivering globally benchmarked early childhood education. The programme integrates the core principles of IB, CBSE, and Cambridge curricula, ensuring a strong, adaptable foundation that prepares young learners for both national and international academic pathways. Rooted in decades of educational excellence, ZIA focuses on holistic development during the formative years, fostering cognitive, emotional, social, physical, and creative growth in a structured yet nurturing environment.

The international curriculum framework at ZIA is inquiry-based and developmentally appropriate, emphasizing early language acquisition, pre-numeracy, critical thinking, creativity, and social-emotional learning. Learning experiences are designed to be engaging, purposeful, and experiential, enabling children to develop confidence, independence, and readiness for future schooling while retaining the joy of early learning.

ZIA Early Years operates across two strategically located campuses—the City Campus at Race Course and the TechZone Campus at Eachanari—each thoughtfully designed to meet the needs of early learners. Both campuses offer well-planned classrooms, age-appropriate learning zones, safe indoor and outdoor play facilities, and secure, hygienic environments that support exploration, comfort, and child well-being.

The programme is delivered by qualified early childhood educators who function as facilitators and mentors, providing individualized attention and continuous developmental support. ZIA places strong emphasis on meaningful parent partnerships through transparent communication and engagement initiatives, ensuring continuity in learning and emotional development.

ZIA Early Years serves as a strong foundation within the Rathinam Group's education ecosystem, preparing children to transition smoothly into IB, CBSE, or Cambridge schools with confidence, adaptability, and a global outlook, while upholding the Group's legacy of quality education.

rps
THE JOY OF LEARNING

RATHINAM INTERNATIONAL PUBLIC SCHOOL

Rathinam International Public School (RPS) is a premier CBSE institution committed to nurturing learners who grow with academic strength, emotional balance and real-world readiness.

Built on the philosophy that education must turn mirrors into windows, RPS creates a learning culture where children think beyond boundaries, explore with curiosity and develop the clarity, confidence and character needed to excel in a fast-changing world. The school integrates the CBSE framework with modern, experiential and technology-enhanced teaching methods, helping every student build strong conceptual understanding, analytical ability and problem-solving skills that remain relevant throughout life.

At RPS, the CBSE curriculum is delivered through interactive classrooms, hands-on learning modules, digital tools, activity-based instruction, language development platforms and a dedicated Innovation & Design Thinking Lab. This approach shapes learners who can communicate effectively, collaborate naturally, think critically and adapt to challenges with resilience. From foundational years to senior levels, teaching is personalised and student-centric, ensuring that each child progresses with confidence while receiving continuous academic support and mentorship from dedicated faculty.

The RPS campus is thoughtfully designed to complement the CBSE philosophy of holistic development. Spacious classrooms, safe play zones, sports courts, art and music studios, indoor and outdoor activity spaces and an encouraging learning atmosphere allow children to discover their interests and talents beyond academics. Students participate in sports, performing arts, scientific explorations, community engagement programmes, cultural activities and leadership initiatives that help them develop discipline, empathy, social awareness and a strong value system.

RPS believes in building a close, transparent and collaborative partnership with parents to ensure a smooth and meaningful educational journey for every child. With the strength of the Rathinam Group's decades-long educational heritage, Rathinam International Public School (RPS) stands as a transformative CBSE school where academic excellence meets character formation, creativity meets responsibility and every child is prepared for a successful, purpose-driven future.

GOLDENBEE GLOBAL™

BEE HIVE OF LEARNING

GoldenBee Global School (GBG) represents the Bengaluru chapter of the Rathinam Group's distinguished educational ecosystem, bringing with it decades of academic expertise, innovation and student-centric development. GBG is built on the belief that every child is naturally curious, uniquely gifted and capable of achieving excellence when provided with the right environment, guidance and inspiration. The school creates a learning experience that is joyful, meaningful and future-ready, designed to prepare children not only for academic success but also for life beyond the classroom.

At GBG, learning is an immersive journey where children are encouraged to question, explore, imagine and express themselves freely. The curriculum is designed to nurture communication skills, creativity, emotional intelligence, digital awareness, critical thinking and global citizenship from the early years. Teachers serve as mentors and facilitators, ensuring that every child receives personalised attention and support through a low student–teacher ratio, interactive classroom practices and continuous learner engagement. The school's strong emphasis on values, character and social responsibility ensures that children grow with empathy, discipline and respect for diversity.

GBG operates across three thoughtfully designed campuses in Bannerghatta, BTM Layout and Horamavu, each offering a safe, vibrant and child-friendly atmosphere. These campuses are equipped with modern classrooms, age-appropriate learning studios, outdoor play arenas, innovation corners, art and activity spaces and enriched co-scholastic facilities that make schooling an inspiring daily experience. Whether it is foundational learning, early years programmes or primary classes, each campus follows the same commitment to quality, warmth and academic excellence.

With both CBSE and ICSE curricula offered, GBG provides families with the flexibility to choose an academic path that aligns with their aspirations. Beyond academics, the school strongly integrates sports, performing arts, STEM discovery, life-skills training, environmental learning and cultural activities to ensure all-round development. Students are encouraged to embrace creativity, leadership and teamwork through a wide range of guided and child-led initiatives. The school maintains a transparent and collaborative parent partnership model, ensuring that every family feels connected, heard and involved in the learning journey.

GoldenBee Global School stands as a place where knowledge transforms into confidence, imagination turns into innovation and learning becomes a lifelong journey. Backed by the vision, excellence and credibility of the Rathinam Group, GBG continues to set benchmarks in nurturing young minds and shaping them into compassionate individuals, confident communicators and future-ready global citizens.

KPM

Matriculation Higher Secondary School
Pollachi Main Road, Eachanari, Coimbatore - 641 021

RATHINAM
Celebrate life

A Legacy of Quality Education **Since 1973**

KPM Matriculation Higher Secondary School, established under the K. Palaniappa Memorial Educational Trust in 1973, stands as a respected institution dedicated to delivering quality, value-based education for over five decades. Founded by late Mr. P. Arumugam and late Mrs. P. Nagarathinam, the school began its journey with a single Class I section at Podanur and has grown into a full-fledged institution from Pre-KG to XII at its vibrant Eachanari campus, nurturing more than 900 students annually.

With a strong commitment to academic excellence, the school secured temporary recognition in 1987 and Permanent Recognition in April 1999 from the Director of School Education, Tamil Nadu. It was also designated as a State Board SSLC Public Examination Centre in April 1998 — a testament to its credibility, discipline, and academic integrity. In 1999–2000, KPM expanded its academic offerings with Higher Secondary courses comprising 7 groups (4 Science and 3 Arts), enabling diverse pathways for higher education and career readiness.

As one of the distinguished members of the Association of Matriculation Schools, Coimbatore, the school upholds high standards in curriculum, teaching methodology, and student development.

KPM Matriculation Higher Secondary School strongly believes that education is not limited to academics alone. The school fosters the holistic development of every child through value-based learning, co-curricular participation, sports, cultural activities, personality development, and leadership initiatives. Classrooms are supported by experienced and dedicated faculty who ensure personalized attention, progressive teaching practices, and consistent monitoring of student growth.

The campus provides a safe, secure, and enriching environment with well-ventilated classrooms, computer and science laboratories, a well-equipped library, a spacious playground, and child-friendly learning zones. The school maintains a strong parent–school partnership through regular communication, academic reviews, and feedback mechanisms.

Guided by its motto “Live to Learn, Learn to Live”, KPM Matriculation Higher Secondary School continues to shape responsible, confident, and value-driven individuals. With the support and ecosystem of the Rathinam Group, the school moves toward new horizons of academic innovation, infrastructure growth, and future-ready education.

About

AIC RAISE is a trailblazing incubation hub championing innovation in line with the United Nations Sustainable Development Goals. Initiated under NITI Aayog's Atal Innovation Mission, it enables bold entrepreneurs to build scalable, high-impact enterprises through cutting-edge infrastructure, seasoned mentorship, and privileged global connections. By fusing purpose with performance, it generates tangible social and environmental progress and stands as a lighthouse of inclusive, future-ready entrepreneurship shaping the next wave of innovation in India.

Incubation

We stand at the forefront of innovation, driving transformative ideas into reality. Recognized among the Top 50 in NIRF Innovation Rankings, our ecosystem blends cutting-edge research with industry collaboration. Through our state-of-the-art Research Hub, numerous patents and pioneering projects have been published, reinforcing our legacy of excellence. We are also the first institution to integrate Design Thinking as part of the core curriculum, empowering students with future-ready skills and entrepreneurial mindsets.

Rathinam Grandhall

Rathinam **Grand Hall**

Rathinam Grand Hall, a landmark venue in Eachanari, Coimbatore, is set to redefine the city's event experience. Spanning an impressive 100,000 sq. ft., this premier space is designed to host large-scale concerts, exhibitions, corporate gatherings, and grand celebrations such as weddings. With a seating capacity of over 5,000 for mega events and dedicated areas accommodating 1,500+ guests for weddings, the hall offers unmatched versatility. Featuring state-of-the-art air-conditioning, expansive parking, world-class amenities, and elegant interiors, Rathinam Grand Hall blends scale, sophistication, and convenience — making it the ultimate destination for unforgettable events.

Circle View

Circle View

Circle View

- Circle View is a premium venture by Rathinam, designed as a modern business hub.
- Located in a thriving commercial area, it offers the perfect space for growth.
- The hub supports diverse businesses, IT services, and entrepreneurial ventures.
- It also serves as a platform for startups and incubation ideas.
- With world-class infrastructure, Circle View fosters innovation and collaboration.
- The addition of AIC RAISE's new incubation unit strengthens its ecosystem.
- Together, they are set to redefine and boost the local business landscape.

Rathinavani Community Radio 90.8 FM

A Voice for the People

Launched in May 2013 at Rathinam College of Arts & Science, Rathinavani 90.8 FM has become a pioneering community radio in Coimbatore, broadcasting in Tamil to educate, inspire, and empower society. With programs spanning education, health, environment, culture, entrepreneurship, and infotainment, the station blends knowledge with engagement, making it a true platform for the community.

Under the leadership of Dr. J. Mahendran, Station Director, Rathinavani has trained hundreds of aspiring radio jockeys, students, homemakers, teachers, and differently-abled individuals—many of whom now thrive in media and broadcasting careers. The station's initiatives, from world-record Thirukkural recitals to campaigns on climate change, organic farming, and senior citizen welfare, have earned it prestigious honors, including the Star Icon Award 2024.

More than a radio station, Rathinavani stands as a model of social responsibility—preserving Tamil culture, amplifying local voices, and driving awareness on issues that matter. It continues to be a trusted medium of change, education, and community development.
